what made me kill and kill again i can't answer that except like this culled from interviews with the lead investigator and the victims families and exclusive access to the killer this is a revealing shocking and unflinching portrait of gerald eugene stano a man who fancied himself one of the greatest lady killers of them all i was inspired to write a bad man a thug and a gangster by a song i written and recorded called bad man off of my 2015 album release the story depicts batro as a bad man because he is feared and formed an alliance with most of the local thugs in guyana and then traveled to new york city when his cousin vision called him to take over while he operation called fly and he got most of new york city strung out on the drug fly he is a thug because he murders and shows no remorse and he is a gangster because he is involed in extortion wilful heartbroken bullheaded humbled confused sartaj an amateur boxer and a regular engineer from haryana is a conflicted man trying to navigate a gentler and more modern version of himself down south in india s silicon valley his 20s are riddled with sex money liquor and even love from terrifying nightmares to weird voices in his head his bizarre experiences make him question his religious and empirical beliefs at 30 in his search for something meaningful he surprises himself when he jumps at a strange opportunity to become a vigilante and proudly brands himself a superhero badoga but does he even have a cause or is his vanity getting the better of him is he the good guy within this new world of the music men who defines what is moral and whose game is he playing has his past left him susceptible to a hero complex are the music men taking advantage of this can he just walk away from the mess he finds himself in or does he continue to spiral further down into the web of music men join sartaj as he narrates his adventures with the powerful and mystifying music men boxed set containing tall tatted and tempting smart sexy and secretive calmly carefully completely books 1 3 in the reed brothers series one clueless queen to be four princes to change her world forever before her vital
